Trevor Yorke : Georgian and Regency Houses Explained (England's Living History) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Georgian and Regency Houses Explained (England's Living History):

2 of 2 people found the following review helpful. This is a wonderful book! We have purchased a Georgian house that ...By bookbuyerThis is a wonderful book! We have purchased a Georgian house that needs to be restored. This book has given me so much information about what is appropriate, why the houses are designed as they are, the historical

context in which the designs evolved, and so much more. I appreciate it as a guide to design, but as a history buff, I appreciate it purely as a history book. Very easy to read with good definition of terms and diagrams that make the text truly make sense (a picture is worth a thousand words!) 1 of 1 people found the following review helpful. still an excellent resource book for setting a stage or dressing a ...By jamiebuilding and construction practices, floor plans, trimming and facade, furnishing a room. its all here. but in the brief. Nothing too deep. still an excellent resource book for setting a stage or dressing a scene. 4 of 4 people found the following review helpful. Does exactly what the title says By Customer This is architectural in nature and doesn't really detail what's in the rooms, but it does a great job of covering styles, materials, conventions, and regulations during this time period.

The Georgian and Regency house conjures up a distinct and much admired image. Elegance, refinement and beautiful proportions have made this period an inspiration for later architects and a popular choice for today's house buyer. Using his own drawings, diagrams and photographs, author Trevor Yorke explains all aspects of the Georgian and Regency house and provides a comprehensive guide to the homes and houses of this notable period. The book is divided into three sections, outlining the history of the period; stepping inside the different rooms and their fittings, what they were used for and how they would have appeared; and the final section contains a quick reference guide with notes on dating houses, suggestions for further reading, a glossary of unfamiliar terms and details of places to visit

About the Author Trevor Yorke is an experienced author and artist who specialises in period architecture. His many books include *British Architectural Styles*, *Georgian Regency Houses Explained*, and *The English Village Explained*
