Think of it as music; just a bit of one style in another strikes the right chord and changes the beat enough to make it fresh. This book shows great pieces in traditional rooms that work for today's lifestyle.1 of 1 people found the following review helpful. Thank you! - The old with the new!By Kuljit HunjanThis is an amazing book that I will be using as a guide to restore my Georgian terrace. Excellent details that incorporate the old with the new. Congratulations to the author.0 of 0 people found the following review helpful. It was helpfulBy Colin D.This book was helpful as an overview. It had a lot of ideas to work from. I it did not go into as much depth on the particular style of our project, but it was a great start.

Henrietta Spencer-Churchill brings the practical comfort of twenty-first century living to the elegant and timeless classical proportions of eighteenth century design. This inspiring and invaluable book showcases Henrietta Spencer-Churchill's recent projects. Whether working with authentic Georgian interiors, apartments or newly-built homes, Lady Henrietta brings her perfectionist talent to the task of marrying comfort and practicality to the spirit of 18th century elegance and timeless classical proportions. The book is lavishly illustrated with specially commissioned photographs from the author's latest portfolio of work, and contains insights into how the design process works at a practical level. With chapters looking at each room in the home individually, from the dining room to the home office and media room, discover Henrietta's secrets for achieving the ultimate blend of classic style and the needs of a modern home. This is the classic design book for 21st century living.

About the Author Henrietta Spencer-Churchill is the daughter of the 11th Duke of Marlborough and spent her childhood surrounded by the exquisite architecture of Blenheim Palace.
