**Judith B. Tankard, Michael Van Valkenburgh : Gertrude Jekyll: A Vision of Wood and Garden** before purchasing it in order to gage whether or not it would be worth my time, and all praised Gertrude Jekyll: A Vision of Wood and Garden:

0 of 0 people found the following review helpful. Five StarsBy KenEntertaining reading0 of 1 people found the following review helpful. Gertrude Jekyll landscape bookBy Tracy TomatoBook arrived on time. the reason I gave it 4 stars instead of 5 isn't the venders issue I mistook the description of tricolor meaning colored photos, my mistake otherwise book is a beautifully photographed piece by the late Gertrude Jekyll.

A collection of photographs taken by Jekyll herself of her work, showing her vision of borders, woodland and terrace plantings, pathways, and architectural features in the garden. Introductory essays examine her continuing influence.
