Desperate freezing woman shows mobile home insulation secrets! Tired of freezing in your mobile home? Can you do something that not only works, but is affordable? You betcha! Don't know how to inspect a used mobile home before you buy it? Every step is right here to guide you by someone "in the know." This book saves you time and research and BIG \$ in the long haul on your energy bill. It also saves you big headaches as in "I wish I had known about that before I bought my home." Goal: Insulate My Freezing Mobile Home How To Inspect A Used Mobile Home shows you how to make your "affordable housing" truly affordable. Hi,there. My name is Linda Culbreth and I am a real person. I live in my third mobile home. last winter, I froze when I had no choice but to turn the thermostat down to 41 degrees. And it came on more than once! I remember crying, I was so cold. But - a woman with a mission and some determination can change things, big time! All the steps (and they are easy enough for me to do) are here. You don't have to be cold! And, you can easily check off every thing that you need to look at when you are looking for a "new to you" mobile home.

About the AuthorLinda Culbreth teaches The Wednesday Night Writing Class, has a beautiful family, a 6.3 pound chihuahua that barks and shakes, and tries not to have an ugly electric bill.
