Yozette Yogi Collins, Marlis Jennings : Goodnight, Boone before purchasing it in order to gage whether or not it would be worth my time, and all praised Goodnight, Boone:

1 of 1 people found the following review helpful. Wonderful book about popular town in the Blue Ridge Mountains By Customer Having been to Boone, North Carolina many times, it's great to see a children's book about that quaint town in the Blue Ridge Mountains. The author and illustrator have done a good job of bringing Boone to life in this book. If you love nature, you'll likely find this book to be a real treat. Richard Nilsen President of All Star Press author of [...] 0 of 0 people found the following review helpful. Good child's book! By NCman Good kids book about Boone, NC and Watauga county. The art work is just ok. Also many of the areas that I would consider "must see" are not in the book. Over all fine, but could be better. 2 of 2 people found the following review helpful. good nite all By Ole organic farmer This has to be the greatest `lil book there is to put the toddler down with.....I sure does work for me!

This is a children's story focused around the popular town of Boone, North Carolina in the nook of the Blue Ridge

Mountains. Author Yogi Collins grew up in Boone and, while she loves that the High Country is filled with interesting and quirky people, she is also fascinated by how people end up in this little slice of heaven. A television producer/writer by trade, Yogi again lives in Boone, now with her husband Dan and two incredible kids. This is her first book.
