**Black Decker, The Editors of Creative Publishing international : Great Decks Furnishings (Black Decker Home Improvement Library)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Great Decks Furnishings (Black Decker Home Improvement Library):

Now there's one convenient book that provides simple, detailed plans for the most popular basic decks and furnishings. You get complete plans and hundreds of step-by-step photos for seven different decks, as well as complete directions

for the most-sought accessories, including mix-and-match benches, planter boxes, arbors, railings, and staircases.
