

it! Use it all the time! 0 of 1 people found the following review helpful. Great Garden Book By MoRented this book from the library and loved it. Just had to have our own copy. So happy to find it at such a good price!

Whether you're looking for a quick-cooking compost recipe or a safe spray to stop garden-eating pests, you'll find all-new mixtures that really work to solve your garden problems in Great Garden Formulas, edited by Joan Benjamin and Deborah L. Martin. More Than 350 Formulas for a Great Garden Compost; Weed Control Fertilizer; Birds, Butterflies, and Beneficials Soil Care; Herbs for Every Purpose Pest Control; Home Remedies Disease Control; Yard and Garden Designs

You can always tell a book that is written by real gardeners, and Great Garden Formulas is the real thing: Lots of hands-on, hard-working gardeners share their formulas for everything from fertilizers to pest repellents to luxurious herbal cosmetics. This is a classic Rodale book: It's full of solid information that can go right to work for you, and it's downright fun to read--a gardener's page-turner in every way! Sally Jean Cunningham, Master Gardener and author of Great Garden Companions "Yes! Great Garden Formulas is a great collection of great formulas! I see several I have tried successfully and several more I'll try next season. Jim Duke, Economic Botanist, USDA (ret.), and author of The Green Pharmacy From the Publisher "Yes! Great Garden Formulas is a great collection of great formulas! I see several I have tried successfully and several more I'll try next season." -James A. Duke, Ph.D., author of The Green Pharmacy and Dr. Duke's Essential Herbs From the Back Cover Great Garden Formulas Whether you're looking for a quick-cooking compost recipe or a safe spray to stop garden-eating pests, you'll find all-new mixtures that really work to solve your garden problems in Great Garden Formulas!
