AndersonThe first of two volumes, I must concur with other reviewers, this is an excellent resource for anyone looking for ideas or inspiration on Georgian houses.0 of 0 people found the following review helpful. Five StarsBy Phillip DGreat research book!28 of 30 people found the following review helpful. A nice reference book at a great price..LOTS OF PICTURESBy A CustomerA nice architectural resource book if your looking for design inspiration for Georgian style houses. Replications of original (1933, 1937) edition. Over 400 nice b/w pen ink drawings (plans elevations) of 77 homes (1714-1830).

Volume 1 of a unique set of books containing close to 500 illustrations of facades, floor-plans, interiors and decorative details from 77 of Americas most beautiful homes representing the extraordinarily rich Georgian era (1714-1830). All characteristics of major styles from New England to the Carolinas.
