Five StarsBy normaTHANK YOU0 of 0 people found the following review helpful. Good BooksBy Sharon L. MccloudAll of the books by this author are awesome. I have lined up so many projects to build and I can't wait to get started. Eventually I will buy all of the titles by this author.

Woodworkers will enjoy building these 21 good-looking and functional pieces of outdoor furniture, thanks to easy-to-follow instructions, full-color photos, and detailed drawings. Every projects attractive, inexpensive, and requires only basic tools and off the shelf lumber to construct.
