Being a landscape designer I'm always looking for resources and design details that can help me expand my own repertoire. Great Pools and Spas is well shot and has 'great' upscale landscapes to ponder and examine. My copy is teaming with post-its, and that's a good thing. 1 of 1 people found the following review helpful. Pictures were great and inofrmation goodBy Kindle Customer We are thinking of -putting a pool in our yard and this helped my husband understand a little more about them although it was somewhat dated. 0 of 0 people found the following review helpful.
