John Dixon Hunt : Greater Perfections: The Practice of Garden Theory (Penn Studies in Landscape Architecture) before purchasing it in order to gage whether or not it would be worth my time, and all praised Greater Perfections: The Practice of Garden Theory (Penn Studies in Landscape Architecture):

Hunt explores the meanings of garden and its relationship to other interventions into the natural world. It looks at the role of verbal and visual languages in placemaking as well as how gardens have been represented in the visual and literary arts.'
