**Secunda Goodchild : Grow Your Own Trees 2 Ed: A Book and Seeds Second Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised Grow Your Own Trees 2 Ed: A Book and Seeds Second Edition:

Offers detailed instructions on how to plant and care for three types of trees, including a paper birch, northern white cedar, and Colorado blue spruce, and is accompanied by a package of seeds for each type of tree. Original. IP.
