(author) Edward Enfield : Growing to a Ripe Old Age: 50 Years in the Garden (Hardback) - Common before purchasing it in order to gage whether or not it would be worth my time, and all praised Growing to a Ripe Old Age: 50 Years in the Garden (Hardback) - Common:

0 of 0 people found the following review helpful. Great little book.By morningmagentaI bought this book for my 92-year-old father. Great gift; he loves it! Can't wait for spring to see him put it to use.

Edward Enfield has only ever had one garden, but his dealings with it have extended over half a century. He came to his threequarters of an acre knowing nothing about growing anything. This book offers an account of his horticultural successes and failures, inventions and frustrations, discoveries and developments.
