Susan Berry : Gua esencial de jardinera (Guas esenciales series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Gua esencial de jardinera (Guas esenciales series):

0 of 0 people found the following review helpful. Great bookBy AlmaI bought this book for my dad since he's a gardener and he thought it was helpful and easy to read. The price was also very reasonable. Thank you.

Whether cultivating fruits or flowers in the ground or in containers, this in-depth reference contains the principles and practicalities of planning and planting a garden, start to finish, from techniques and tools to soils and climate.

About the AuthorSusan Berry is an established gardening writer and editor. She has written 10 gardening books and her articles have appeared in newspapers and magazines, including Gardener's World.
