The used copy I purchased from was even signed by Mr. Lemmon himself! I have not read it all yet but I have enjoyed the advice given in the book and it is perfect for the Houston area. Easy to follow and understand. If you don't have a green thumb or even if you do, this guide will come in very handy if you live on or near the spectacular Gulf Coast.0 of 0 people found the following review helpful. Five StarsBy L. B. JacksonBest book if you are in Houston and like gardening. Listen to him on AM 740 weekend mornings!

Randy Lemmon is the host of Houston's GardenLine radio program, on Clear Channel's TalkRadio 950 KPRC. Over 1.4 million Houstonians garden for a hobby or pastime, and GardenLine is where they listen for advice and information on gardening and landscaping. Every Saturday and Sunday 8 a.m.-noon, GardenLine's Randy Lemmon answers listeners' questions on everything from aphids to zoysias. He's Houston's absolute expert on lawns and gardens, offering help to listeners both with and without "green thumbs." Randy's a Texas Aggie who truly KNOWS plants and flowers. He explains them with ease and candor, and is as competent a "plant" person as there is. He

studies, and he practices. He embraces "new methods" as well as the "old" ways of dealing with problems. Gulf Coast Gardening with Randy Lemmon is the first in a series of self-published books by Randy Lemmon Consulting.
