**Graham Haley, Rosemary Haley : Haley's Hints** before purchasing it in order to gage whether or not it would be worth my time, and all praised Haley's Hints:

The extraordinary guide to ordinary items and products with time- and money-saving uses. Over 2,000 of them! In Haley's Hints readers will find: Environment-friendly tips on cleaning and stain removal Money-saving advice on pest

control and pet care Practical pointers for children, seniors, and gardeners Recipe tricks Laundry tips Sewing hints  
Workplace wonders Plumbing, painting, carpentry, and electrical shortcuts Plus a whole chapter on pampering  
themselves All topped off with a comprehensive easy-find index to help readers find the exact solution they need-fast.
