Jo Behari, Alison Winfield-Chislett : Hammers and High Heels: An Illustrated Guide to Do-It-Yourself Home Projects before purchasing it in order to gage whether or not it would be worth my time, and all praised Hammers and High Heels: An Illustrated Guide to Do-It-Yourself Home Projects:

Why pay a professional to repair or renovate your home when you can do it yourself just as quickly? Learn home improvement essentials like using a basic tool kit, hanging blinds, and wallpapering a room, as well as everyday repairs like fixing wobbly tables and clogged drains. No matter your ability or budget, this is the ultimate guide for the

modern woman who wants to get down to DIY basics.
