**Ellen Nepilly : hip dining japan** before purchasing it in order to gauge whether or not it would be worth my time, and all praised hip dining japan:

Uber-modern lighting, Zen design sensibilities, fantasy private dining...these are just some of the oh-so-cool ideas for cutting-edge restaurant design featured in Hip Dining. This showcase of the newest, hottest, and hippest in the field is packed with inspiring ideas for creating innovative, witty dining spaces that will enhance any meal and enthrall any guest.
