Better Homes and Gardens : Home Upgrades Under \$600 (Better Homes and Gardens) (Better Homes and Gardens Home) before purchasing it in order to gage whether or not it would be worth my time, and all praised Home Upgrades Under \$600 (Better Homes and Gardens) (Better Homes and Gardens Home):

2 of 2 people found the following review helpful. WasteBy E. NelsonThe ideas in this book are all common sense: paint a wall, paint a wall two tone, add carpet, add tile, add hardwood flooring, change a lamp, etc. Those are actual examples of the upgrades this book recommends - all common sense stuff. I was expecting unique, one off ideas of things to do. There is nothing in this book that is no just plain common sense.3 of 3 people found the following review

helpful. NiceBy BeBeHankinsInspirational but require more carpentry than I can do alone. Great photos detailed explanations with explicit instructions tips.3 of 3 people found the following review helpful. GreatBy William M. ParkA great no kidding approach on how to make simple up greats on the cheap to upgrade your home. Great.

Affordable, achievable upgrades that bring big value to your home While many people want to upgrade their homes, the economic downturn has put the brakes on many big projects. The new focus is on sensible, market-smart upgrades for comfort, satisfaction, and value. Home Upgrades Under \$600 showcases smart, easy projects for the budget-conscious but dedicated homeowner. You'll get a potpourri of upgrades?not just repairs?that are inexpensive but that add to your home's worth, livability, and appeal. 70+ projects that can be completed for under \$600 and in no more than a few days All projects are homeowner-friendly, regardless of your skill setIf you're a homeowner who wants to update or upgrade your home on a budget and in just a few days, Home Upgrades Under \$600 has you covered!

From the Back CoverSmart home improvements don't have to break the bank.Bring fresh new style to your home with simple upgrades that involve just a little of your time and money.Most of the projects in this book can be completed in an evening or over a weekend.
