**Benjamin F. Scribner : How Soldiers Were Made** before purchasing it in order to gage whether or not it would be worth my time, and all praised How Soldiers Were Made:

This book is a replica of the original from the collections of The New York Public Library; it was produced from digital images created by The New York Public Library and its partners as part of their preservation efforts. To enhance your reading pleasure, the aging and scanning artifacts have been removed using patented page cleaning technology. We hope you enjoy the result.
