**Ira A Lipman : How to Be Safe: Survival Tactics to Protect Yourself, Your Home, Your Business and Your Family** before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Be Safe: Survival Tactics to Protect Yourself, Your Home, Your Business and Your Family:

2 of 2 people found the following review helpful. Dumb title, decent bookBy Ryan VictoryThis book definitely

contains some interesting information, however a lot of it is common sense. That being said, it has some useful checklists to outline things you should think about security-wise in many different situations that you may find yourself in. Because of this, I'd recommend it to pretty much anybody, even if you think you "know it all" because it will help you organize your personal and family security.

2 of 3 people found the following review helpful. Excellent Book  
By Barbara Warren  
This is a great book with a lot of very good information. I recommend it for everyone who is interested in protecting your home, your family, your business and property. I'll be a lot more careful from now on.

2 of 4 people found the following review helpful. VERY WELL EXPLAINED!!!!  
By Levi Q. Mann  
VERY INFORMATIVE VERY EASY TO READ. IT IS LIKE READING A BOOK WITH INSIDER INFORMATION  
VERY GREAT THANK YOU. DON'T WASTE YOUR MONEY ON OTHER BOOKS  
DO BUY THIS ONE. GREAT THANK YOU
