Penny Swift : How To Build a Carport: the easy way (How To Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised How To Build a Carport: the easy way (How To Series):

0 of 0 people found the following review helpful. Five StarsBy John BensonGreat ideas1 of 1 people found the following review helpful. Cover Your CarBy BarbarianExcellent book for basics of carport construction! A few plans, but more emphasis on different types of materials and constructions!0 of 0 people found the following review helpful. Three StarsBy Richard M. TalaySomewhat informative

How To Build a Carport the easy way provides simple and easy-to-follow instructions that will enable you to build a carport using bricks and mortar, wood or metal, combined with a variety of roofing or cover-protection options. It explains the basic principles involved in planning a carport project, from choosing a suitable design and style for your home, to quantifying and costing the materials required to build it. All the necessary building basics are covered,

including construction methods, the tools needed to complete carport projects, and the full spectrum of both roofing and parking possibilities. There are three fully illustrated step-by-step projects that show how to mix and cast concrete, how to lay brick paving, and how to build a carport with brick or block pillars. There are also instructions on how to mix mortar and set out structures. *How To Build a Carport the easy way* will guide you through all stages of your carport project, with hundreds of full color photographs and a selection of imaginative carport plans. There are lots of pictures to give you good ideas that you can copy or adapt. Written for an international audience, it also explains the importance of building codes and regulations in the USA, UK, Australia and South Africa, and suggests ways that professional people can help with your project. With *How to Build a Carport the easy way*, you can increase the value of your home and protect your motor vehicle assets.
