Thomas H Jones : How to build greenhouses: Garden shelters sheds before purchasing it in order to gage whether or not it would be worth my time, and all praised How to build greenhouses: Garden shelters sheds:

0 of 0 people found the following review helpful. Timeless InfoBy HollyThis book is pretty old but the information is still highly appropriate and very useful I also liked the many different approaches you can choose from. I will use this book to build mine this fall.2 of 2 people found the following review helpful. building greenhousesBy Sally NavarroVery nice book, but needs more explanations on the design issues. Overall, I am happy with this book.
