Five StarsBy Britt Baergreat book0 of 0 people found the following review helpful. Four StarsBy JamesVery nice product to show you set up and give you some ideas.

How to Build Ponds and Waterfalls and Much More... was written with the consumer in mind: it's a show and tell presentation of everything needed to build spectacular water gardens. Jeffrey Reid proves that knowing the correct

steps and using the right product for the job practically guarantees success. The methods shown in these chapters are proven, and have been taught to thousands of do-it-yourselfers. In an easy-to-read and easy-to-understand format, this book shows readers how to build ponds and waterfalls, as well as providing information about Koi fish, submersible pumps, water lilies, water features, water garden designs, UV lights, rock placement, filter systems, pond fish, marginal plants, preformed ponds, excavating, pond liners, plumbing, and landscaping. Adding a pond or waterfall to your landscape can be very rewarding. "How to Build Ponds and Waterfalls and Much More..." ensures it will also be successful.
