Mr. Jeffrey M. Schulte : How to Clean and Maintain Your Own Swimming Pool before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Clean and Maintain Your Own Swimming Pool:

0 of 0 people found the following review helpful. Healthy, Pretty poolBy Connie S. TaffLike the format to keep my pool updated. I do have some physical problems (temporarily I hope) so this gave me a great guideline.3 of 3 people found the following review helpful. Excellent.By G. BarberExcellent, small but concise. I downloaded this onto my kindle app and have found the information in it invaluable. Explains everything clearly without too much preamble. I

have used the help it gives in cleaning filters, treating the pool with various chemicals to help maintain it in good order and advice given in other areas. I would recommend it. 1 of 1 people found the following review helpful. great pool book
By Vince Mccarrie
all you need to take great care of your pool, in depth explanations, easy to understand, good step by step guide

This is a pool owners guide to maintaining a pool. Tips, tricks, and techniques you won't find in other guides.
