Jay Beckwith, Craig Bergquist, Ron Hildebrand : How to Design and Build Children's Play Equipment/05934 (Ortho library) before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Design and Build Children's Play Equipment/05934 (Ortho library):

You can create play environments that will capture the imagination of your children or grandchildren for years. Four custom-designed play structures, with swings, slides, climbing ropes, nets, fitness equipment, and more, are profusely illustrated by plans, materials lists, and careful, step-by-step instructions make it possible for you to build them

yourself.
