Diane Snow : How to Design and Build Fences and Gates before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Design and Build Fences and Gates:

Why a fence? Where to put the fence? What kind of fence? You'll find the answers to these questions and more, in this book. Photographs, plan drawings, color illustrations of over 20 classic fence styles, and illustrated construction steps, help you build all types of fences and gates. A special section helps you create your own fence and gate designs.
