**Jonathan Edwards : How to Grow Shrubs and Climbers: A Comprehensive Guide To All The Essential Gardening Techniques, From Choosing And Planting To Care And Maintenance** before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Grow Shrubs and Climbers: A Comprehensive Guide To All The Essential Gardening Techniques, From Choosing And Planting To Care And Maintenance:

A comprehensive manual covering all aspects of the creative use of shrubs and climbers in the garden, from multi-season interest, to special effects, working with scent, and choosing colour schemes.

About the Author Jonathan Edwards is an experienced garden writer and editor. He began his career as a garden journalist, working as a feature editor for Amateur Gardening magazine before becoming deputy editor of Gardening Which? magazine. He now works on gardening books full time. Jonathan has a particular interest in making gardening accessible for all, and has been involved in setting up and writing for the Crocus.co.uk website. Jonathan's other published works include: Greenhouse Gardening (The Crowood Press); The First-Time Gardener (Carroll Brown); and The Illustrated Handbook of Garden Techniques (Southwater).
