Free home security camera web applications.By DarylFor \$2.99 you get what you pay for. This book or the one Kindle sent me only talks about getting free web aps., after you have your home video security system already hooked up and ready to go. Based on the title of the book I thought it would at least show you how to hook up the cable or something, but it doesn't. Look somewhere else if you want a how too book. I haven't even gotten to this point yet so I'll just wait until I need a free ap., after I finally hook up my system.1 of 2 people found the following review helpful. One cannot have too muchsecurity.By Nashoba Losal like much of what I read about setting up home security: locks, cameras, electronics and such. Lots of good advice for a home security system in this book.
