The indispensable guide for fathers, sons, graduates, boyfriends, or any man who needs some helpful advice about all things manly. (It's about time!) Fixing a faucet. Carving the Thanksgiving turkey. Impressing the fairer sex. How to behave when a lady faints. Mixing the perfect martini or mowing the perfect lawn. Being a man has become a lost art,

but help is on the way. With more than one hundred "lost arts" documented throughout the book, *How to Mow the Lawn* will never let readers feel as if they don't know what to do should a manly situation come up. Chapters include:
