whether or not it would be worth my time, and all praised *How to Restore Old Furniture Guide: Turn Old Furniture into New, Give a Fresh Look to Antique and Collectible Items and Start Furniture Restoration Business*:

0 of 0 people found the following review helpful. and somewhat poor writing. I was really looking for a step ...By Stephanie T Gleaton This should really teach me to pay more attention. If I had, I would have never spent my money on something that has little explanation, no pictures, and somewhat poor writing. I was really looking for a step by step for furniture restoration that would give me some direction and suggestions for stripping and finishing chemicals and quality tools. This book is so lacking, it really serves no purpose. 0 of 0 people found the following review helpful. One Star By Jay Whitewolf no useable info

Furniture gives the room the warmth and feeling of its kind. Ever entered a room without furniture in it? Well, even if the room is made from the best materials around the world; it will look like something is amiss. That is the gap filled by furniture being when installed. It makes the room full of life and glamour. However, it is not all about the furniture but the look of the furniture. How well furnished is the furniture in your room? How regularly do you do clean ups and, of course, the age of the furniture. The age of the furniture contributes a lot to the loss of value and diminished appearance. Many choose to throw away such to provide space for others which is a bad idea given that the era we are living is sustainable enough to repair or refurbish to give it a new look and improved shape. Regardless of whether you want to update or bring back the old furniture to life, think about refurbishing and repair.
