Sunset Books : Ideas for Great Home Offices before purchasing it in order to gauge whether or not it would be worth my time, and all praised Ideas for Great Home Offices:

0 of 0 people found the following review helpful. Too limitedBy Massive ReaderI have one room in my home dedicated to business, and I need it to function fully as an office. If you had a couple of pieces of office equipment you were trying to hide in a kitchen nook, this book would work great. However, it doesn't tell you how to reorganize your actual office into a more efficient workspace.10 of 15 people found the following review helpful. Ideas for Great Home OfficesBy A CustomerThis book shows many attractive home offices. It presents many wonderful ideas and

alternatives, and gives tips on how to plan for a home office.
