Better Homes and Gardens : Ideas How-To: Outdoor Kitchens (Better Homes and Gardens) (Better Homes and Gardens Home) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ideas How-To: Outdoor Kitchens (Better Homes and Gardens) (Better Homes and Gardens Home):

0 of 0 people found the following review helpful. That was a little disappointing as google images provided much better "ideas".By B. Williamson This book seems to focus more on the ideas than the howto. That was a little disappointing as google images provided much better "ideas".0 of 0 people found the following review helpful. ok bookBy Danagreat book for examples of outdoor kitchens with pictures, but no real instructions on how to do it.0 of 0 people found the following review helpful. Good deal!By CustomerLoved the book! Many, many ideas and great how-to instructions!

This book helps homeowners evaluate their outdoor kitchen needs and wishes, explore the available options, and identify choices that will work for them. Charts, graphs, and cutaway diagrams pinpoint essential information, whether the homeowners are building the kitchen themselves or hiring a contractor to do the work. Inspirational photos of existing outdoor kitchens range from basic to elaborate. Real-life examples show the variety of amenities available and provide ideas for combining materials to create a style that harmonizes with the home's architectural style. The book gives plenty of practical advice for addressing each element needed in an outdoor kitchen: cooking surfaces, food preparation surfaces, and storage for food and supplies.

About the AuthorThe iconic BETTER HOMES AND GARDENS brand is one of America's most trusted sources for information on cooking, gardening, home improvement, home design, decorating, and crafting. Today, the brand encompasses books, magazines, and digital media.
