From AM Editores : Ideas: Natural (100+ Tips Ideas) before purchasing it in order to gage whether or not it would be worth my time, and all praised Ideas: Natural (100+ Tips Ideas):

The outside world doesn't have to be left behind when one walks through the front door. One of our greatest architects, Mother Nature can be incorporated into the home with smart use of design. This tome contains hundreds of ideas to integrate the outdoors with inside space.
