Frederick Litchfield : Illustrated History of Furniture: Contains 400 Illustrations of Examples from Ancient Times to the Edwardian Era before purchasing it in order to gage whether or not it would be worth my time, and all praised Illustrated History of Furniture: Contains 400 Illustrations of Examples from Ancient Times to the Edwardian Era:

4 of 4 people found the following review helpful. Illustrated History of Furniture By BrengalI thought there would be pictures of the various types of furniture but the pictures were deleted. If I don't know what the furniture looks like,

how can I learn about it. I was very disappointed not with the author because pictures obviously exist but with the ebook. 1 of 1 people found the following review helpful. Three Stars By Dianne M. Stewart Great book but I wish the ebook had pictures, as another reviewer pointed out. The ebook is not illustrated. 3 of 14 people found the following review helpful. Quick delivery. Book in arrived in great condition. By B. Fraval The book arrived sooner than I could of imagined. Great condition. Quick Delivery

Frederick Litchfield's fascinating and detailed study of the functionality, craftsmanship, and artistry of furniture was written over a century ago in Victorian England and remains as culturally important as it is enduring. This beautiful facsimile edition brings back to the printed page hundreds of the superb engravings and photographic images that Litchfield used to illustrate his comprehensive historical handbook. This book has always been in the Top 50 most downloaded books on Gutenberg.com, proving this subject's universal appeal.

About the Author Frederick Litchfield (1850-1930) was a well-known furniture expert whose other works include *Pottery and Porcelain: A Guide to Collectors and How to Collect Old Furniture*. The popularity of his *Illustrated History of Furniture* on its publication was such that seven editions were produced between the years 1892 and 1922.
