**Mark Bailey, Sally Bailey : Imperfect Home** before purchasing it in order to gage whether or not it would be worth my time, and all praised Imperfect Home:

3 of 4 people found the following review helpful. I just didn't like it that much at allBy kitty katThe book was okay but I'm more of a Sibella Court and Hans Blomqist (love his books) type person. The book felt cold and rigid and not for me at all. It doesn't flow and the colors are off. I just didn't like it that much at all. Too much patchy wood and I never felt any warmth at all. I'm sure many people will like it but it was a bad fit for me.1 of 1 people found the following review helpful. A beautiful and fun book to read and enjoy the photos ...By Steve KorosecA beautiful and fun book to read and enjoy the photos again and again. I asked for this book as a gift.0 of 0 people found the following review helpful. Five StarsBy jonesBest book I bought about this subject !

In this, their latest book, Mark and Sally Bailey of destination homeware store Baileys Home Garden turn their attention to homes that are less perfect, more personal, and which possess their very own brand of idiosyncratic, lived-

in charm. Imperfect Home embraces the picturesque beauty of peeling paint, vintage fabrics, time-worn colours, handcrafted items, and obscure treasures. But it is also a place where old meets new, and where modern pieces are mixed in to bring vitality, color, and contrast to the interior.

About the Author Mark and Sally Baileys style has been evolving for over 25 years in their Herefordshire home and business, Baileys Home Garden. Their backgrounds in architecture, interior design and furniture-making have lead to collaborations with the music and fashion industries, retailers and in product design. Mark and Sally have worked with Ralph Lauren, Paul Smith, Donna Karan, Liberty, Conran, Takashimaya and Habitat. Their other books for Ryland Peters Small are Recycled Home, Simple Home and Handmade Home.
