**Timothy Whealon, Dan Shaw : In Pursuit of Beauty: The Interiors of Timothy Whealon** before purchasing it in order to gage whether or not it would be worth my time, and all praised In Pursuit of Beauty: The Interiors of Timothy Whealon:

10 of 11 people found the following review helpful. A Must Read!By P B HealyMy copy arrived yesterday. I only broke way from its seductive pages for a quick dinner and continued to read and regard until bed time. I will admit that the actual words mean something and the story of what compelled the author to pursue his love of design with simplicity and beauty at its core, is truly remarkable.I consider myself a person of pretty sophisticated taste, but Tim's work is levels beyond mine. Every photograph is inviting and warm. I found myself thinking I would never have thought of that, so now I want to redecorate everything! All of his designs include a remarkable understanding of art as well as a very clever and at times a whimsical mix of modernity with wonderful antiques.From Wall Street, to the Auction world, to full service Interior Design. If we could all be so fortunate to follow our passions as Tim Whealon

has. This is a must buy for anyone who appreciates the Pursuit of Beauty!PS.... everyone is getting this book for Christmas!0 of 0 people found the following review helpful. Five StarsBy susieA terrific book ....1 of 1 people found the following review helpful. It's a perfect gift and an excellent addition to any homeBy Stephanie S.Stunning! You don't have to be an interior designer to appreciate the beauty and art that has been put into this gorgeous book. It's a perfect gift and an excellent addition to any home.

An appealing approach to creating elegant, worldly interiors that are rooted in the comforts of home. Interior designer Timothy Whealon is beloved for his accessible style, his seamless blend of classic and modern influences, and his skillful use of artwork and antiques, thanks to an extensive knowledge of fine and decorative arts. Whealons design philosophy finds its roots in classicism; however, he approaches each project with a fresh, twenty-first-century eye that makes it both modern and timeless. He doesnt believe in interiors that look decorated, as if everything has been done at once. Rather, he layers items from different periods and cultures, artfully mixing the pristine and the patinated. This book is the first to showcase Whealons interiors, from an airy New York penthouse to a gracious Mediterranean-style villa to a casual beach cottage. Whether urban or rural, grand or intimate, each project exhibits classicism alongside comfort, careful attention to detail, and undeniable appeal. Many of the projects included have been newly photographed for this book, and each is a testament to Whealons exquisite taste and understanding of how people live today.

"Effortlessly blending modern and classic, this yummy book is great for everyone looking to up their interior style game."-FrankiDurbin.com"Timothy's work is brilliant in its blend of comfort and elegance. Each page makes you want to turn to the next one for more inspiration. From a New York Penthouse to a Mediterranean-style villa, this portfolio displays how well Timothy can flex his interior design muscles and how versatile his creativity truly is."-InteriorCanvas.com"[In Pursuit of Beauty] is absolutely beautiful and showcases the effortless way in which Timothy combines classic and modern influences along with his masterful use of both art and antiques within spaces that feel fresh and chic."-LA DOLCE VITA BLOG"In Pursuit of Beautyis the first book to showcase Whealon's interiors, from an airy New York penthouse to a gracious Mediterranean -style villa to a casual beach cottage. Whether urban or rural, grand or intimate, each project exhibits classicism alongside comfort, careful attention to detail, and undeniable appeal."-ALL THE BEST BLOG"Whealon seamlessly blends classic and modern influences, as well as his skillful use of artwork and antiques. His work blends classic and modern forms in an effort to create comfortable and harmonic rooms."-AT HOME IN FAIRFIELD COUNTY"Whealon's interior designs combine modern aesthetics with timeless traditions."-THE SOCIETY DIARIES"In Pursuit of Beauty...a perfectly fitting title since every lovely project featured within reflects both the passion and calling of this exceptional designer."-HelloLovelyStudio.comAbout the AuthorTimothy Whealon specializes in high-end interior design with a focus on fine and decorative arts. His work has been published in Elle Decor, House Beautiful, Veranda, Architectural Digest, the New York Times, and numerous books. A founding editor of the New York Times Styles section, journalist Dan Shaw has cowritten several books, including Mary McDonald: Interiors and The Age of Elegance: Interiors by Alex Papachristidis.
