From Kashiwa bookstore Matsubara : In The Garden Kunio Nakajima enamel jewelry (2009) ISBN: 4877901140 [Japanese Import] before purchasing it in order to gage whether or not it would be worth my time, and all praised In The Garden Kunio Nakajima enamel jewelry (2009) ISBN: 4877901140 [Japanese Import]:

0 of 0 people found the following review helpful. Stunning.By Alpaca PicnicBeautiful, lovely book. In Japanese, with very little English for subheadings. Book is 6.5 x8.5 inches. There are 28 pages of dense text. What I have been able to translate, using Google Translate on my smart phone, has made me earnestly wish for a proper translation. Master Nakamima has included a discussion of Art Nouveau enamels and their makers, and an overview of his history in the jewelry arts. The photography is stunning, and sometimes includes inventive props. Some of the book's pages, and

other photos, are presented on his Facebook page. Master Nakajima has much to teach, and I yearn to know much more. Please, please, consider offering an English translation.0 of 0 people found the following review helpful. Four StarsBy lulabeautiful work and great photography however is in Japanese which makes sense but wish I could learn more
