Vita Sackville-West : In Your Garden Again before purchasing it in order to gauge whether or not it would be worth my time, and all praised In Your Garden Again:

3 of 3 people found the following review helpful. gardenBy BjrgI was recommended this book by an English friend. It is great as the author also wrote poetry, it is a pleasure to read her talking about the different species in the garden. So in reality you get two things, the flowers and trees and the wonderful way they are described:)

From 1946, the poet and novelist Vita Sackville-West wrote a gardening column in the Observer. The columns were

later collected into a set of books published between 1951 and 1958. Vita's extensive gardening knowledge, her intense passion for her subject and her lively literary flair making these garden writing classics essential for any serious gardener's bookshelf. Volume 2 in a series of four anthologies reproducing the lively gardening columns by Vita Sackville-West. This volume covers 1951-1953.

the best light reading on the topic to reappear this year are still the collections of newspaper articles by Vita Sackville West ... They unite a literary turn with practical knowledge and a whimsical, inquiring mind and eye. I hope that no generation of new gardeners will grow up without reading such delights as her *In Your Garden Again*. -- Robin Lane Fox *Financial Times* Seasonal, personal and ideas in spades *Country Life* About the Author Vita Sackville-West is known as much for her creation of the gardens at Sissinghurst Castle with her husband Harold Nicolson as for her numerous novels, which include *The Edwardians* and *All Passion Spent*, her collections of poetry and her gardening articles. A central figure in the Bloomsbury group of artists and writers, she was the model for Virginia Woolf's Orlando. She died in 1962.
