**Frederic Couderc, Laurence Dougier : Inside Africa North East (v. 1)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Inside Africa North East (v. 1):

Plunge into Africa: North and East We've searched far and wide, through Africa's deserts and jungles, cities and wildlife reserves, islands and mountains, to uncover the continent's most inspirational dwellings; our goal was to find the kind of interiors that defy description, and we think the results will definitely leave you speechless. Nestled within these pages you'll find lush modern homes mingling with mud huts, funky artists' studios, elegant lodges, minimalist houses, ornate traditional homes, townships and much more—all lovingly built and decorated with sensitivity, creativity, craftsmanship, individuality, and sensuality. Inside Africa captures the beauty and diversity of African

living. Beautifully bound with an African tribal motif cloth cover Highlights include: ? Italian sisters Carla and Franka Sozzani's fairy-tale palace in the Medina of Marrakech ? shoe designer Christian Louboutin's modest-yet-elegant Cairo home ? a lodge in Tanzania whose interior columns are formed by the trees around which it was built ? multi-level terracotta Troglodyte dwellings in Tunisia ? opulent mosaics, breathtaking courtyards and rooftop lounges in Marrakech Countries featured: Botswana, Egypt, Kenya, Mauritius, Morocco, R?union, Seychelles, Tanzania, and Tunisia The photographer: Deidi von Schaewen, who has lived in Paris for thirty years, is a contributor to a range of international periodicals and a film-maker, and has published numerous books.
