Inson Wood : Inson Dubois Wood: Interiors before purchasing it in order to gauge whether or not it would be worth my time, and all praised Inson Dubois Wood: Interiors:

0 of 1 people found the following review helpful. Inson Wood By Bankerchiq Inson Wood is incredibly talented. Can design anything at any level- in any style. I am amazed by the variety and the wide range of his designs and abilities! A true visionary who knows how to get things done in a timely manner with an eye on creating value! Also incredible humble and approachable which makes the experience that much more special. 0 of 0 people found the following review helpful. Stunning photographic journey of interior designs by Inson DuBois Wood ... By Lili Stunning photographic journey of interior designs by Inson DuBois Wood. It is both visually absorbing and stunning for the content and diversity of design.

The first monograph on the interior design work of the New York based architect and an essential resource for those

seeking to create luxurious modernist spaces. Inson Wood is renowned for designing elegant interiors with richness, texture, and impeccable proportions. A masterful use of architectural elements in the way he treats and defines space has been a hallmark of his aesthetic since graduating from Harvard Graduate School of Design. Woods subtle tonality, with colorful accents, creates sophisticated rooms that are equally inviting and perfect for a modern family lifestyle. With roots in the United States, Thailand, and France, Woods cosmopolitan perspective incorporates diverse antiques and modern furniture to create interiors that are luxuriously comfortable. Lavishly illustrated, Woods first monograph profiles a sumptuous range of the designers work, from the opulent Waterfall Mansion in New York to a family-oriented home in Greenwich and a charming villa in Saint-Tropez on the French Riviera. Offering a wealth of original design ideas, Inson Dubois Wood: Interiors is an essential addition to any respectable library of interior design.

"It is meant to show how many influences Wood can bring together in one room, and it does so. . . . Inson Dubois Wood interiors, even ones that are nominally minimalist, are planned with care and executed with elan."HuffingtonPost.comBy the time architectural and interior designer Inson Dubois Wood struck out on his own, he had a wealth of experience under his belt. He had worked with two legendary talentsfirst Juan Pablo Molyneux, then David Eastonand studied at both Cornell's School of Architecture and Harvard's Graduate School of Design. "Today, my diverse background and global perspective influence my firm's approach to design," writes Wood in his first monograph, Inson Dubois Wood: Interiors (Rizzoli, \$55). It's Wood's eclectic aesthetic that caught the design world's attention. Architectural Digest"Wood creates spaces of astonishing interest no matter the region, time period or aesthetic he has been hired to produce."French Style"Inson Dubois Wood: Interiors(Rizzoli, 2016) byInson Dubois Woodwith photography by Mark Roskams is Woods guide to helping others discover and refine their design identity."Cottages Gardens"I can't say enough wonderful things about this book. Theeclecticmix, with so manybeautifully colorcoordinated textiles,accessories, and furnishings is stunning."Splendid Sass Blog"I was really taken by the diversity of projects inInson Dubois Wood: Interiors. His work really does chameleon from project to project while still carefully curating and crafting yet adding an unexpected touch."TheEnglishRoom.com"Let me just say that this book is beautifully executed. This large coffee table size book has a cover photo that is gorgeous enough, but I always appreciate what might be under the cover. "KATIE D.I.D Blog"Theres something slightly mysterious aboutInson Dubois Wood: Interiors(Rizzoli). That applies to both the man the principal of his own design firm, who is not pictured anywhere in the book and the rooms lavishly documented within."1stDibs.comAbout the AuthorInson Wood is the sole principal of the New Yorkbased architecture and interior design firm Inson Dubois Wood. Mark Roskams is a New Yorkbased photographer who specializes in architecture and interior design. His work has been featured in publications such as Architectural Digest and Elle Decor.
