This book is a rip off. It is full of inane observations such as, "Furniture plays an important role in the decoration of your house." It is all of 20 pages long and written in awkward English. "Beautifully decorated place look more practical and safe." 1 of 1 people found the following review helpful. This book is not worth the paper it is written ...

This book is not worth the paper it is written on . Plodded on through the broken language struggling to get a meaning at times . Only a young child might learn something from it .0 of 0 people found the following review helpful. Poor quality, grayscale printing
By Vadim
Really bad quality of printing. The texts are low quality as well, you can read the same information on blogs for free in 20 minutes.
