Eliza Hope : Interior Spaces of the Pacific Rim Vol 2 (International Spaces) before purchasing it in order to gage whether or not it would be worth my time, and all praised Interior Spaces of the Pacific Rim Vol 2 (International Spaces):

The merging of eastern and western cultures in the Asia-Pacific region has resulted in spectacular and unique architectural and design influences. These influences are borne out by Asia's leading architects in the contemporary interiors showcased in this stunning volume. Includes commercial, hospitality, leisure, public and retail spaces, and

more.
