So it is sort of pricey for so little. However, it is the book, and if you need it you need it. I would have given more stars had it more depth..0 of 0 people found the following review helpful. Five StarsBy Customerused quit often for repairs, very detailed publication.0 of 0 people found the following review helpful. IH 254 Shop manualBy Ozark MountainsI found this magazine to be,

rather complete with information about the 234. Good mag.
