J. Shepherd, G Jellicoe : Italian Gardens of the Renaissance (Reprint Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Italian Gardens of the Renaissance (Reprint Series):

Princeton Architectural Press's Reprint Series was established in 1981 to make rare volumes on architecture available to a wider audience. The books' beautiful reproductions and finest quality printing and binding match those of the originals, while their 9-by-12-inch format makes them accessible and affordable. New introductions bring a modern

voice to these classic texts, updating them to become invaluable contemporary resources. These critically acclaimed books are an essential addition to any library.
