From Brand: Japan Publications Inc : Japanese Courtyard Gardens before purchasing it in order to gauge whether or not it would be worth my time, and all praised Japanese Courtyard Gardens:

0 of 0 people found the following review helpful. Five Stars By renae Just what I was looking for. 0 of 0 people found the following review helpful. Five Stars By Ed Brooks beautiful 14 of 16 people found the following review helpful. One of the best purchase I've ever made! By A Customer Very beautiful photos. Nicely printed. Each photos has detailed description. Good for someone who loves Japaense culture, or who just loves gardens. I got this for a gift, but I will have to get some more for other friends, and for me!

Purchased in 1988 it was never used. The jacket has a bit of yellowing from age, otherwise the book is clean. Out of Print- 107 pg. Beautifully illustrated with full color illustrations of 71 Japanese Courtyard Gardens.
