**Peter Pauper Press : Japanese Garden Journal (Diary, Notebook)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Japanese Garden Journal (Diary, Notebook):

An elegant floral design and softly lined pages invite you to pen your thoughts and ideas in this vibrant Japanese Garden Journal. Softly appealing cover design is accented with glossy highlights, embossing, and features the quotation by Anais Nin: "And the day came when the risk to remain tight in a bud was more painful than the risk it took to blossom." Enjoy 160 pages of lightly lined, acid-free, archival-quality paper for journaling, sketching, and

writing down favorite quotes and poems. Popular small-format size (5" x 7") fits easily in backpacks, tote bags, and most purses. Coordinating elastic band place holder keeps journal shut or helps you keep your place. Convenient inside back cover pocket is perfect for business cards, receipts, etc.
