Even the envelopes have a pretty design on them. I am old-fashioned still like to send handwritten "snail-mail" notes thank you cards. 5 of 5 people found the following review helpful. Worth the wait!!! By MC These were sold out again and again upon release! I can see why... The colors are bright and vibrant and the paper quality great! These are truly beautiful note cards! The envelopes are beautiful with designs on back flap as well.... 0 of 0 people found the following review helpful. Pretty design By Mature traveler The design was very sweet. My only criticism is that I would have preferred heavier paper stock and a slightly larger size.
