Günter Nitschke : Japanese Gardens (Taschen 25th Anniversary) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Japanese Gardens (Taschen 25th Anniversary):

0 of 0 people found the following review helpful. Three Stars By bee_ess_dee Should have gotten the paperback or non-anniversary edition. 0 of 0 people found the following review helpful. Five Stars By Bim Beautiful book with great photos and heaps of information on history and style of Japanese Gardens 1 of 1 people found the following review helpful. stupid book By thomas I learn notthings in this book ,too much pictures to show off ,I just go on line to see it ,want to return but too much trouble no time

Nature crafted by man

"This extraordinary book provides a detailed, engrossing history of Japanese gardens with separate chapters for each historical era. It is beautifully illustrated with color photos as well as historical black and white." - Suite 101, New York
About the Author Günter Nitschke, born in Berlin, studied architecture (Germany), town planning (London), and

classical and modern Japanese (Tokyo). He taught East Asian architecture and urbanism at Princeton and MIT for 18 years, more recently at UCLA and LA Pomona, and since 1987 at Kyoto Seika University. He is also Director of the Institute for East Asian Architecture and Urbanism in Kyoto. The exhibition Japanese Gardens 2000 in Stuttgart was designed by him. His Floating Bridges of Dreams received First Prize in the 1998 International Urban Design Competition for a New Image of Kyoto in the 21st Century. He has also written numerous critical essays and books.
