Like the other two, it's filled with a lot of babbling ideas that seem confusing and complicated. There are lots of informative books out there to attract birds to your backyard - this is not one of them.0 of 0 people found the following review helpful. **Five Stars**By Abron RobersonLooked it over and is in great condition for a great price, Thanks!0 of 0 people found the following review helpful. **Five Stars**By Terri**GREAT!**

Create an enjoyable bird habitat at home by planting a garden that birds find irresistible, using this thorough guide to growing plants that birds love, making recipes for treats birds crave, and building the best backyard bird shelters. From beautiful Baltimore orioles and vibrant scarlet tanagers to cheerful black-capped chickadees and elegant cedar waxwings, birders will learn how to attract birds to a garden sanctuary with these proven techniques, including planting the best berry-producing plants, which flowers birds cant resist, which trees birds prefer to call home, tips and tricks to growing the best fruits for birds, which vines are best for birds, and how to grow plants that produce the best seeds for birds. Additional features include *Grandma Putts Time-Tested Tips, Elementary, My Dear* (with answers to the toughest birdscaping questions), *Perfect Planting* (garden designs), and *Quick-n-Easy Projects*.
